

ANNOUNCEMENT

IUTAM SYMPOSIUM ON STRUCTURAL OPTIMIZATION

Monash University, Melbourne, Australia, 9–13 February 1988

An international symposium sponsored by the International Union of Theoretical and Applied Mechanics and Australian Academy of Science will be held at Monash University, Melbourne, Australia, from 9 to 13 February 1988. A special feature of the symposium is layout and shape optimization using analytical and CAD techniques. Papers will be presented by leading international experts who have been selected by an international committee chaired by Professors Karihaloo (Australia) and Rozvany (W. Germany). However, there is scope for inclusion of additional papers on all aspects of structural optimization.
