

ANNOUNCEMENT

UPCAEDM '89

SEVENTH ANNUAL CONFERENCE ON UNIVERSITY PROGRAMS IN COMPUTER AIDED ENGINEERING DESIGN AND MANUFACTURING

University of Wyoming, 23–26 July 1989

UPCAEDM is jointly sponsored by the University of Wyoming, Georgia Institute of Technology, The Ohio State University, Virginia Polytechnic Institute and State University, Purdue University, Lehigh University, Brigham Young University and a consortium of industrial sponsors.

Theme: "Networking in Engineering Colleges".

Topics include:

educational applications;
planning and implementation issues;
coordination with other campuses/colleges;
backbone network issues;
setting up LANS;
graphics integration and interchangeability;
remote instruction technology;
electronic classrooms;
new and novel applications.

Other papers describing on-going projects and research in CAE, CAD or CAM (such as expert systems, benchmarking, manufacturing automation, workstations, instrumentation, software development, etc.) are welcomed *from all disciplines*. One-page abstracts are due on or before *5 January 1989*. Authors of accepted papers (for presentation and poster sessions) will be notified in early February. Final camera-ready manuscript to be published in the Proceedings has to be received by *20 March 1989*.

Please send abstract (including author's name, address, affiliation and telephone number) to:
