

ANNOUNCEMENT

1ST EUROPEAN SOLID MECHANICS CONFERENCE

Technical University of Munich, F.R.G.

9–13 September 1991

The European Mechanics Council is organizing a new series of Euromech Conferences on the broad field of Solid Mechanics and Fluid Mechanics. The First European Solid Mechanics Conference (ESMC) will be held in Munich, F.R.G., on the above date and is meant to provide a friendly discussion of current research trends and developments in an informal setting.

Scope: the 1st ESMC will cover the entire field of theoretical, computational and experimental mechanics of solids, including applications. Among the topics are:

- continuum mechanics
- material mechanics
- structures
- soil and rock mechanics
- wear, fracture and damage
- dynamics, vibrations and control
- contact problems.

Programme committee

- J. Engelbrecht, Tallinn, U.S.S.R.
- N. Jones, Liverpool, U.K.
- J. Lemaitre, Paris, France
- B. Lundberg, Lulea, Sweden
- G. Maier, Milan, Italy
- F. Pfeiffer, Munich, F.R.G.
- W. Schiehlen, Stuttgart, F.R.G. (Chairman)
- F. Sidoroff, Lyon, France
- K. Sobczyk, Warsaw, Poland
- V. Tvergaard, Lyngby, Denmark.

Time schedule: participants wishing to present a paper at the 1st ESMC are requested to submit a one-page abstract to the chairman of the Local Organizing Committee by 1 February 1991. Scientists who wish to be placed on the circulation list for subsequent announcements are invited to write to

Prof. F. Pfeiffer (Chairman, Local Organizing Committee),
