

Send abstracts to one of the co-organizers of the symposium :

Professor R. C. Batra
Department of Mechanical and Aerospace
Engineering and Engineering Mechanics
University of Missouri-Rolla
Rolla, MO 65401-0249, U.S.A.
Tel. : (314) 341-4589
Fax : (314) 341-4607

Professor H. M. Zbib
Department of Mechanical and Materials
Engineering
Washington State University
Pullman, WA 99164-2920, U.S.A.
Tel. : (509) 335-7832
Fax : (509) 335-4602

CALL FOR PROPOSALS TO HOST AN IUTAM SYMPOSIUM IN 1996 OR 1997

The United States National Committee for Theoretical and Applied Mechanics (USNC/TAM) is seeking proposals from U.S. authors and institutions to host IUTAM Symposia any time during the years 1996–1997.

The aim of an IUTAM symposium is to assemble a group of active scientists within a well-defined field for the development of science within that field. In order to achieve effective communication with the group, the number of active participants is limited. All IUTAM symposia are therefore reserved for invited participants. Invitations to participate are made by the Scientific Committee solely on the basis of scientific merit. Typical symposia invite about 60 scientists of whom about 25 present prepared lectures.

Proposals to host a symposium should be made on a prepared form which may be obtained from the Secretary of the USNC/TAM. The completed application should be sent to the Secretary not later than 24 January 1994. Applications will be competitively screened by the USNC/TAM. A maximum of five for the two-year period will be forwarded to IUTAM where they will compete with those from other countries. Final decisions will be made by the General Assembly of IUTAM in August 1994. Approximately 12–20 symposia will be scheduled for 1996–97.

For each proposal accepted IUTAM will appoint a Scientific Committee. The chairman will normally be the submitter of the invitation, but the other members will be chosen from the international scientific community. The proposal may indicate a preference for 1996 or 1997, but actual scheduling for the year will be worked out jointly by the Scientific Committee and IUTAM.

IUTAM provides a small amount of financial support to pay some travel expenses, primarily for young scientists and for scientists from developing countries. Organizers of symposia are encouraged to seek additional financial support from other sources.

On request the Secretary of USNC/TAM will send a *Symposium-Invitation Kit* containing an application form, examples of approved applications, and a list of recent symposia. Please address inquiries to :

Professor Philip G. Hodge, Jr
Secretary, USNC/TAM
