

## ANNOUNCEMENT AND CALL FOR PAPERS

### CSCE ENGINEERING MECHANICS SYMPOSIUM

1–4 June 1994, Westin Hotel, Winnipeg, Canada

A cordial invitation is extended to all members of the mechanics community to present a paper at the above symposium. Original papers are solicited in all areas of mechanics (e.g. solid mechanics, fluid mechanics, theoretical and computational mechanics, experimental mechanics, etc.). Papers related to mechanics of composite materials, inverse problems, environmental mechanics, smart structures, symbolic algorithms and interdisciplinary topics are encouraged. Preliminary acceptance will be based on the review of an abstract of approximately 300 words.

The engineering mechanics specialty symposium will be held in parallel to the annual conference of the Canadian Society for Civil Engineering. An exciting social program and a spouse program will be organized.

The paper review schedule is :

One-page abstract (3 copies) due by	31 October 1993
Preliminary acceptance notified by	31 December 1993
Final paper (6–8 pages) due by	1 March 1994

Please forward abstracts and requests for additional information to :
