

HEAT AND MASS TRANSFER BIBLIOGRAPHY—SOVIET WORKS

R. I. SOLOUKHIN and O. G. MARTYNYENKO
Heat and Mass Transfer Institute, Minsk, U.S.S.R.

(Received 15 May 1978)

BOOKS

- V. M. Borishansky (Editor), *Heat Transfer and Hydrodynamics*. Izd. Nauka, Leningrad (1977).
- L. I. Cherneeva (Editor), *Thermophysical Properties of Power Plant Working Bodies*, vyp. 61. Izd. ENIN, Moscow (1977).
- E. V. Dilevskaya, *Cryogenic Micro-Heat Exchangers*. Izd. Mashinostroenie, Moscow (1978).
- I. K. Enno (Editor), *Furnaces and Drying Stoves in Machine Building Industry*. Izd. VNIPI, Moscow (1977).
- V. P. Isachenko, *Condensation Heat Transfer*. Izd. Energiya, Moscow (1977).
- O. A. Kolenchits, *Thermal Accommodation of the Gas-Solid Body Systems*. Izd. Nauka i Tekhnika, Minsk (1977).
- S. S. Kutateladze (Editor), *Non-linear Wave Processes in Two-Phase Media*. Izd. Inst. Teplofiziki SO AN SSSR, Novosibirsk (1977).
- A. M. Kutepov, L. S. Serman and N. G. Styushin, *Vaporization Hydrodynamics and Heat Transfer*. Izd. Vysshaya Shkola, Moscow (1977).
- A. G. Merzhanov (Editor), *Combustion of Condensed Systems*. Izd. OIKhF, Chernogolovka (1977).
- I. P. Mukhlenov and V. M. Pomerantsev (Editors), *Fluidized Bed Catalysis*, 2nd edn. Izd. Khimiya, Leningrad (1978).
- V. A. Permyakov (Editor), *Development and Mastering of Novel Heat Transfer Equipment for Power Plants*. Izd. TsKTI, Leningrad (1977).
- V. N. Podymov (Editor), *Vibrational Combustion*. Izd. Kazan Univers., Kazan (1977).
- I. G. Shaposhnikov and M. I. Shliomis (Editors), *Physical Properties and Hydrodynamics of Dispersed Ferromagnetic Fluids*. Izd. Ural. Nauch. Tsentra, Sverdlovsk (1977).
- E. E. Shpil'rain and P. M. Kessel'man, *Fundamentals of the Theory of Thermophysical Properties of Substances*. Izd. Energiya, Moscow (1977).
- R. I. Soloukhin (Editor), *Heat and Mass Transfer in Intensive Radiative and Convective Heating*. Izd. ITMO AN BSSR, Minsk (1977).
- D. M. Sterlin, *Drying in Production of Plywood and Chip Boards*, 2nd revised edn. Izd. Lesnaya Promysh., Moscow (1977).
- L. N. Stesik (Editor), *Combustion of Heterogeneous and Gas Systems*. Izd. OIKhF, Chernogolovka (1977).
- V. I. Subbotin (Editor), *Thermophysics of Nuclear Reactors*. Atomizdat, Moscow (1977).
- A. V. Temnikov (Editor), *Thermal Physics and Optimization of Thermal Processes*. Izd. Kuibyshev. Aviats. Inst., Kuibyshev (1977).
- V. I. Tolubinsky (Editor), *Thermal Physics and Thermal Engineering*, vyp. 33. Izd. Naukova Dumka, Kiev (1977).
- V. I. Tolubinsky (Editor), *Heat Transfer and Hydrodynamics*. Izd. Naukova Dumka, Kiev (1977).
- B. N. Yudaev, M. S. Mikhailov and V. K. Savin, *Heat Transfer of Jets Impinging onto Barriers*. Izd. Mashinostroenie, Moscow (1977).
- N. I. Zhirnov and V. I. Lebedev (Editors), *The Problems of Heat Transfer and Design of Heat Supply Sources*. Izd. MISI, Moscow (1977).

GENERAL

- V. V. Krasnikov, A. S. Ginzburg and A. A. Mikhailenko, The All-Union Scientific-Engineering Conference on Drying in Kalinin, May 1977, *Prom. Energetika* No. 11, 59-60 (1977).

THERMODYNAMICS

- V. V. Aleksandrov and T. D. Panaetova, Thermodynamic characteristics of the ammonium iodine ion solvation in propanol-2 mixtures with water, *Zh. Fiz. Khim.* **52**(2), 472-473 (1978).
