

CORRIGENDUM

T. ADAMEK and R. L. WEBB, Prediction of film condensation on horizontal integral fin tubes,
Int. J. Heat Mass Transfer 33, 1721–1735 (1990).

On p. 1722 the last entry in the Nomenclature under Greek symbols should read :

ω, ω' angle on fin tip (Fig. 3) [rad].

On p. 1725 the fourth line below equation (14a, b) should read :

$\omega' = \pi/4 - \theta$. Substitution of equations (13a) and
