

# Heat and mass transfer bibliography—CIS works

O.G. Martynenko

*Heat and Mass Transfer Institute, National Academy of Sciences of Belarus, 15, P.Brovka Str., Minsk 220072, Belarus*

Received 27 July 2001

## 1. Books

Proceedings of the Second Russian National Conference on Heat Exchange, Moscow, October 26–30, 1998, vol. 1, Plenary and General Topical Reports. Round Table Reports, Izd. MEI, Moscow, 1998.

Proceedings of the Second Russian National Conference on Heat Exchange, Moscow, October 26–30, 1998, vol. 2, Forced Convection of a Single-Phase Fluid, Izd. MEI, Moscow, 1998.

Proceedings of the Second Russian National Conference on Heat Exchange, Moscow, October 26–30, 1998, vol. 3, Heat and Mass Exchange in Chemical Conversions, Izd. MEI, Moscow, 1998.

Proceedings of the Second Russian National Conference on Heat Exchange, Moscow, October 26–30, 1998, vol. 4, Boiling, Boiling Crises, Burnout Heat Exchange. Evaporation, Condensation, Izd. MEI, Moscow, 1998.

Proceedings of the Second Russian National Conference on Heat Exchange, Moscow, October 26–30, 1998, vol. 5, Disperse Flows and Porous Media, Izd. MEI, Moscow, 1998.

Proceedings of the Second Russian National Conference on Heat Exchange, Moscow, October 26–30, 1998, vol. 6, Heat Exchange Enhancement. Radiative and Combined Heat Exchange, Izd. MEI, Moscow, 1998.

Proceedings of the Second Russian National Conference on Heat Exchange, Moscow, October 26–30, 1998, vol. 7, Heat Conduction, Heat Insulation, Izd. MEI, Moscow, 1998.

## 2. Papers—general

A.K. Alekseev, Determination of the three-dimensional structure of flow field from the solution of the inverse problem of convection, Proceedings of the Second Russian National Conference on Heat Exchange, Moscow, October 26–30, 1998, vol. 2, Forced Convection of a Single-Phase Fluid, Izd. MEI, Moscow, 1998, pp. 37–40.
