SUBSCRIPTION RATES 1978

For libraries, university departments, government laboratories, industrial and other multiple-reader institutions, \$99.00 per annum (including postage and insurance).

Specially reduced rates to individuals: In the interests of maximizing the dissemination of the research results published in this important international journal we have established a two-tier price structure. Any individual whose institution takes out a library subscription, may purchase a second or additional subscription for personal use at the much reduced rate of U.S. \$30.00 per annum.
