

## CORRIGENDUM

TAKENAKA, N., FUJII, T., AKAGAWA, K. & NISHIDA, K. 1989 Flow pattern transition and heat transfer of inverted annular flow. *Int. J. Multiphase Flow* **15**, 767-785.

The authors regret that figure 14 in the above paper was incorrect because of an error in the calculation of the empirical constant K. The corrected figure is presented below:

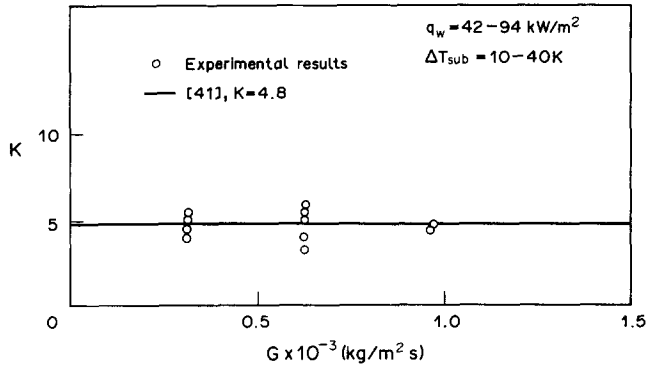

Figure 14. Experimental results for the empirical constant K.
