

### IMPORTANT ANNOUNCEMENT

Due to the increasing flow of excellent papers from research workers throughout the world, *International Journal of Thermophysics* is expanding once again. Although the journal remains a bimonthly, the number of pages published will be increased significantly—by approximately 25% at least. Therefore, Volume 7, 1986 (6 issues) is \$150.00 (outside the U.S., \$168.00).
