

Correction to "Low dimensional actions of semisimple groups" by Garrett Stuck, Israel Journal of Mathematics, Vol. 76, Nos. 1-2, 1991, pp. 27-71.

Due to a printer's error, several of the Dynkin and Satake diagrams on pages 65-67 were improperly rendered. The reader is referred to references [6] and [13] in the paper for the correct diagrams.
