

*Lieutenant Colonel
Raymond G. Davis, USMC
Medal of Honor*

COLD, BATTLE-WEARY, fighting for every mile of wintry road, the Marines were re-deploying toward Hungnam. A rifle company was guarding a mountain pass vital to the withdrawal of two regiments. The company became surrounded. If help didn't come, 6,000 men were lost.

Into this situation, Lieutenant Colonel Davis boldly led his Marine battalion. Over eight miles of heavily defended icy trail they attacked, and across three ridges deep in snow.

They fought three days and nights. But finally Colonel Davis reached and freed the company. He opened the pass till the two regiments got by. Then, carrying his wounded with him, he led his own gallant battalion into safety.

"Korea and World War II have taught me," says Colonel Davis, "that courage is common to *all* armies; it's the *better equipped* side that has the edge. You give *our* men that edge when you invest in Defense Bonds."

LITERATURE AVAILABLE

Agricultural Chemicals. Bulletin of testing service presenting prices for analyses of insecticides, fungicides herbicides, fertilizers and other agricultural chemicals. RESEARCH AND DEVELOPMENT LABORATORIES. **L 1**

Amyl Acetate. Technical data sheet outlining chemical, physical properties and applications of amyl acetate to problems in extraction and flavoring. COMMERCIAL SOLVENTS CORP. **L 2**

Autoclaves. Illustrated catalog of autoclaves of various sizes and capacities, includes discussion of various heating systems and methods of agitation. BLAW KNOX CO. **L 3**

Belt Conveyor. Illustrated folder describing applications and features of a portable conveyor, includes specifications operating characteristics and installation applications. RAPIDS-STANDARD CO. **L 4**

Boilers. Bulletin outlining the operation and application of self contained, automatic steam boiler plants. ECLIPSE FUEL ENGINEERING CO. **L 5**

Chlorosulfonic acid. Technical bulletin reviews typical reactions of chlorosulfonic acid, its employment as sulfonating and chlorinating agents, and as a catalyst in production of insecticides. MONSANTO CHEMICAL CO. **L 6**

Dinitro Herbicides. Illustrated booklet with illustrations and tables on use of dinitro chemicals in control and defoliation. STANDARD AGRICULTURAL CHEMICALS. **L 7**

Ethyl Acetate. Safety rules for handling, storing, and shipping ethyl acetate are described in detail in a safety data sheet. MANUFACTURING CHEMISTS' ASSOCIATION. **L 8**

Fertilizer Ammoniation. Bulletin outlining the use of detergents for ammoniation of mixed fertilizers, includes diagram of plant operation techniques. UNIVERSAL DETERGENTS. **L 9**

Industrial Filter Papers. Bulletin con-

taining specifications of various grades of industrial filter papers for use in process industries. BOROSITES PRODUCTS CORP. **L 10**

Liquid Level Control. Folder describing the principle of operation and special applications of an electronic liquid level control. THERMO INSTRUMENTS CO. **L 11**

Materials Handling Equipment. Catalog covers complete line of lightweight materials handling equipment, constructed of aluminum. TOBEY MANUFACTURING CORP. **L 12**

Metal Hose. Technical data book on application and specifications of various types of metal and braided hose. UNIVERSAL METAL HOSE CO. **L 13**

p-Aminobenzoic Acid. Evaluation of p-aminobenzoic acid in treatment of respiratory diseases of chickens, there is a discussion of the mode of action of PAB and its synergistic effect with antibiotics. MIDVALE CHEMICAL CO. **L 14**

Spectrometers. Bulletin stressing applications of spectrometers for analytical uses in food process control. BECKMAN INSTRUMENTS INC. **L 15**

Spectrophotometers. An inclusive 28-page catalog of Beckman ultraviolet and visible spectrophotometers includes detailed descriptions and illustrations. BECKMAN INSTRUMENTS INC. **L 16**

Sprayer Pump. Two-color catalog sheet illustrating applications of a series of farm sprayer pumps; specifications on material design and a table of performance are included. HYPRO ENGINEERING INC. **L 17**

Strainers. Technical booklet on self cleaning strainers, includes engineering data. The strainers are constructed in 2 to 36 in. sizes. S. P. KINNEY ENGINEERS INC. **L 18**

Weed Control. Technical bulletin, outlining weed control programs for various crops with Stantox 2,4-D weed killers. STANDARD AGRICULTURAL CHEMICALS INC. **L 19**
