John R. Riley, Jr., Spencer Chemical Co., Kansas City, Mo.

John A. Roberts, Pioneer Phosphate Co., Des Moines, Iowa.

Food and Dairy Sanitation Courses Offered at Health Center

A series of training courses in various aspects of environmental sanitation will take place at the Environmental Health Center of the Public Health Service at Cincinnati, Ohio during the coming year.

Among the 23 courses to be offered are one on food sanitation and another on bacteriological examination of milk and dairy products. The first will take place Jan. 25 to 29, 1954, and the second from Jan. 18 to 22. Both courses will include lectures, laboratory and field practice, and interpretation of results.

More information about these courses and any of the others can be obtained by writing the Officer in Charge, Environmental Health Center, Public Health Service, Department of Health, Education, and Welfare, Cincinnati, Ohio.

Packaging Machinery Group To Meet at Skytop This Fall

The Packaging Machinery Manufacturers Institute will hold its 21st annual meeting at Skytop Lodge, Skytop, Pa., from Sept. 20 to 23.

Edwin H. Schmitz, institute president and general manager of Standard Knapp, said that a record attendance is expected.

General chairman of the meeting will be W. B. Bronander, Jr., executive vice president, Scandia Mfg. Co. He will have as his assisting committee: E. A. Oliver of Economic Machinery Co., as chairman of the business meeting program; John B. Wilson of Wright Machinery Co., entertainment chairman; G. Diehl Mateer of G. Diehl Mateer Co., sports chairman; and E. J. Abendschein of Chisholm-Ryder Co., of Pennsylvania, reception and fellowship chairman.
