

NOTICES

PUBLICATIONS

- "*Application of Infrared Radiation in Food Processing*," by A. S. Ginzburg, translated by A. Grochowski, 412 pages, CRC Press, 18901 Cranwood Parkway, Cleveland, Ohio 44128. \$36.90.
- "*Chemistry of Fats and Other Lipids*," Vol. 10, Part 2: "*Metabolism of Plant Terpenoids*," 85 pages, Pergamon Press, Long Island City, N. Y. \$5.00.
- "*Clinical Vitaminology*," by Herman Baker and Oscar Frank, 238 pages, Interscience-Wiley, New York, 1968. \$13.95.
- "*Dehydration Processes for Convenience Foods*," by Robert Noyes, 367 pages, Noyes Development Corp., Park Ridge, N. J. \$35.00.
- "*Guide to Stationary Phases for Gas Chromatography*," Analabs, Inc., 80 Republic Dr., North Haven, Conn. 06473. Free upon request.
- "*Microorganic Matter in Water*," Special Technical Publication 448, 129 pages, American Society for Testing and Materials, 1916 Race St., Philadelphia, Pa. 19103. \$9.25, less 20% to ASTM members.
- "*Pesticidal Formulations Research: Physical and Colloidal Chemical Aspects*," Advances in Chemistry Series 86, 212 pages, American Chemical Society, Washington, D.C. \$9.50.
- "*Photobiology*," by J. J. Wolken, 113 pages, Reinhold, New York. \$2.25.
- "*Progress in the Chemistry of Fats and Other Lipids*," Vol. 9, Part 3: "*Polyunsaturated Acids*," R. T. Holman, Ed., 103 pages, Pergamon Press, Long Island City, N. Y. \$5.50.
- "*Quality Control in the Food Industry*," S. M. Herschdoerfer, Ed., 440 pages, Academic Press, New York, 1968. \$17.50.
- "*Starch and Its Derivatives*," 4th ed., by J. A. Radley, 558 pages, Barnes and Noble, New York, 1968. \$22.50.

MEETINGS

- June 15 to 19.** *Association of Food and Drug Officials of the United States*, Miami Beach, Fla.
- June 23 to 25.** *American Society of Agricultural Engineers*, Purdue University, Lafayette, Ind.
- July 8 to 9.** *National Fertilizer Solutions Association*, Spokane, Wash.
- July 13 to 16.** *Chemistry, Technology, and Economics of Oilseed Proteins*, short course, American Oil Chemists' Society and American Association of Cereal Chemists, French Lick, Ind.
- July 13 to 16.** *Physiology and Biochemistry of Muscle as a Food*, symposium, University of Wisconsin, Madison, Wis.
- July 22 to 23.** *National Fertilizer Solutions Association*, Kansas City, Mo.
- July 28 to August 1.** *Steroids and Other Natural Products*, Gordon Research Conference, Colby Junior College, New London, N. H.
- August 4 to 8.** *Chemistry and Psychophysiology of Odor and Flavor*, Gordon Research Conference, Providence Heights College, Issaquah, Wash.
- August 4 to 8.** *Food and Nutrition*, Gordon Research Conference, Colby Junior College, New London, N. H.
- August 10 to 13.** *Soil Conservation Society*, Colorado State University, Ft. Collins, Colo.
- August 11 to 13.** *American Soybean Association*, Myrtle Beach, S. C.
- August 11 to 15.** *Biochemistry and Agriculture*, Gordon Research Conference, Providence Heights College, Issaquah, Wash.
- August 13 to 14.** *National Fertilizer Solutions Association*, Atlanta, Ga.
- August 19 to 22.** *Phytochemical Society of North America*, Banff, Alta., Canada.
- August 28 to September 5.** *International Congress of Nutrition*, Prague, Czechoslovakia.
- August 31 to September 3.** *International Wood Chemistry Symposium*, Seattle, Wash.
- September 7 to 12.** *American Chemical Society*, New York, N. Y.
- September 8 to 10.** *Canadian Agricultural Chemicals Association*, Mont Tremblant, Que., Canada.
- September 8 to 12.** *International Congress of Dietetics*, Washington, D.C.
- September 11 to 12.** *Sulfur in Nutrition Symposium*, Oregon State University, Corvallis, Ore.
- September 15 to 18.** *Manufacturing Practices and Sanitation*, short course, University of Florida, Gainesville, Fla.
- October 6 to 10.** *Pacific Conference on Chemistry and Spectroscopy*, Anaheim, Calif.
- October 16.** *Animal Nutrition Research Council*, Washington, D.C.
