J. Agric. Food Chem. **2012**, *60* (28), 7031–7039. DOI: 10.1021/jf301981n

An error in Figure 3 is being corrected.

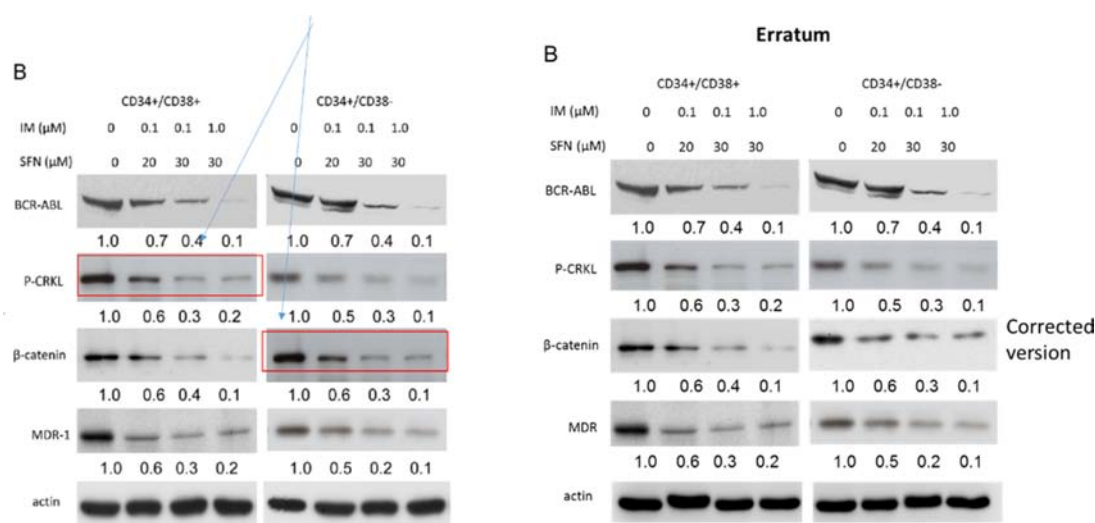

Figure 3. This Western blot (left) was mistakenly placed twice in different columns in our previously published version. The correct version of the western strip (β -catenin) is now shown on the right.
