

Correction to Induction of Phenolsulfotransferase Expression by Phenolic Acids in Human Hepatoma HepG₂ Cells

Chi-Tai Yeh, Shang-Ming Huang, and Gow-Chin Yen*

J. Agric. Food Chem. **2005**, *53* (12), 4766–4773. DOI: 10.1021/jf050388n

Due to an inadvertent error noted in Figure 7B, the β -actin data have been corrected and updated, which does not affect the findings reported in our paper.
