Review Article by Shigeo Iwasaki and Satoshi Ōmura: Search for Protein Farnesyltransferase Inhibitors of Microbial Origin: Our Strategy and Results as well as the Results Obtained by Other Groups. *J Antibiot* 60: 1–12 (2007)

The structures of the following compounds shown in Fig. 6 (page 4) and Fig. 7 (page 6~7) should be replaced as shown in this correction.
