

Editorial

This issue of the *Journal of Applied Electrochemistry* contains seven papers presented at a meeting on Electroorganic Process Engineering held in Perpignan, France, and organized jointly by the Centre National de la Recherche Scientifique (CNRS), the Club 'Electrochimie Organique' de l'EDF, the Groupe 'Genie Electrochimique de la Fédération Européenne de Génie Chimique and the Centre de Perfectionnement des Industries Chimiques (CPIC).

The editor wishes to acknowledge the assistance of Professor Alain Storck, Nancy, France, for the selection and procurement of these papers.
