In eq. 12, substitute n_a'' for n_c'' on p. 2179. In eq. 13, substitute w_a'' for w_c' on page 2179. On page 2193, the heading should read Silicone Rubber not Silicon Rubber.

Third Summer Institute on Applied Mechanics and Materials Science

Seven one week short courses on Applied Mechanics and Materials Science will be given at The Pennsylvania State University during the Summer of 1964. These courses will be in the areas of Viscoelasticity, Wave Propagation, Imperfections by Electron Microscopy, Continuum Physics, Dislocations, Vibrations and Vibration Damping, and Shock Analysis.

For further information write to Joseph Marin, Professor and Head, Department of Engineering Mechanics, The Pennsylvania State University, University Park, Pa. 16802
