

ERRATUM

Hydroxypropylcellulose—The Reaction of Alkali Cellulose with Propylene Oxide

EDWARD GIPSTEIN and ERIC WELLISCH, *Film
Division-Olin, Pisgah Forest, North Carolina*

(article in *J. Appl. Polym. Sci.*, **17**, 2783, 1973)

The word viscose in the heading of Table III should be viscose. The first sentence on p. 2790 should read "be alkali soluble. . . ."
