Spectral Studies on Cellulose Treated with Sodium Deuterioxide

A. VENKATARAMAN, D. R. SUBRAMANIAN, D. S. AYARE, and B. R. MANJUNATH, *Bombay Textile Research Association, Bombay-400086, India*, and M. R. PADHYE, *Centre of Advanced Studies, Department of Chemical Technology, University of Bombay, Bombay-400019, India*

[article in *J. Appl. Polym. Sci.*, **22**, 2901 (1978)]

In the Appendix on p. 2905, the seventh line should read "it can be seen that the observed OD is higher than the calculated OD by a value of 120 cm^{-1} ."
