

NOTE

An article was published in the *Journal of Applied Polymer Science*, Vol. 89, 2058-2067 (2003) entitled "Preparation of Magnetic Ion-Exchange Resins by the Suspension Polymerization of Styrene with Magnetite" authored by Yonghoon Lee, Joonho Rho and Bumsuk Jung.

"Magnetic ion-exchange resins" were identified throughout the article by use of the term MIEXs.

Please note that the publisher has received notice that the word "MIEX" is claimed as a trademark by Orica Australia Pty Ltd of 1 Nicholson Street, Melbourne, Australia in relation to processes for purification of water or extraction of compounds/materials and in relation to resins used in these processes.
