[Article in J Appl Polym Sci 2011, 121, 1488. DOI 10.1002/app.33661]

The following article from the *Journal of Applied Polymer Science*, "Preparation and Characterization of a Bacterial Cellulose/Chitosan Composite for Potential Biomedical Application" by Cai Zhijiang, Hou Chengwei, and Yang Guang, published online on 3 March 2011 in Wiley OnlineLibrary (*J. Appl. Polym. Sci.* **2011**, 121, 1488; <http://onlinelibrary.wiley.com/doi/10.1002/app.33661/full>), has been retracted by agreement between the authors, the journal's Editor in Chief, Stefano Tonzani, and the publisher, Wiley Periodicals, Inc. The retraction has been agreed due to significant overlap with respect to another article, published in the *Journal of Polymer Research* (**2011**, 18, 739) and authored by a subset of the present authors.
