The following article from the *Journal of Applied Polymer Science*, "Performance enhancement of electrospun carbon fibrous nanostructures," by Vahid Shabafrooz, Masoud Mozafari, Daryoosh Vashae, and Lobat Tayebi, published online on 22 December 2012 in Wiley Online Library (wileyonlinelibrary.com), has been withdrawn by agreement between the authors, the journal's editors, and Wiley Periodicals, Inc. The action has been agreed due to failure to comply with a preexisting confidentiality agreement between one of the authors and his former employer.
