

## Erratum

### Paramagnetism-based restraints for Xplor-NIH

Lucia Banci, Ivano Bertini, Gabriele Cavallaro, Andrea Giachetti, Claudio Luchinat & Giacomo Parigi

*Journal of Biomolecular NMR* **28**: 249–261 (2004).

Much to the regret of the Publisher an error occurred on page 252. In the first of two equations just after Equation 6  $g_e^2$  has been changed to  $g_y^2$  by mistake. Below are the correct equations.

$$\chi = \mu_0 \mu_B^2 g_e^2 \frac{S(S+1)}{3kT},$$

or

$$\chi = \mu_0 \mu_B^2 g_J^2 \frac{J(J+1)}{3kT},$$

The Publisher apologizes for any inconvenience it may have caused the authors.
