Binding ability of a HHP-tagged protein towards Ni²⁺ studied by paramagnetic NMR relaxation: The possibility of obtaining long-range structure information

Malene Ringkjøbing Jensen, Conni Lauritzen, Søren Weis Dahl, John Pedersen & Jens J. Led

Journal of Biomolecular NMR **29**: 175–185 (2004).

Much to the regret of the Publisher an error occurred on page 182. The equation number in the second column, line 32 is missing. It should be 5.

The Publisher apologizes for any inconvenience it may have caused the authors.
