

ERRATA

Volume 150, Number 2 (1994), in the article "Energy Distribution of Surface Acid Sites of Metal Oxides," by Paolo Carniti, Antonella Gervasini, and Aline Auroux, pages 274–283: On page 280 the heading for Column 4 of Table 1 should read " $T_{1/2,i}^{\circ}$ (K)" instead of " T° ($\text{mol} \cdot \text{kJ}^{-1} \cdot \text{K}^{-1}$)."

Volume 155, Number 2 (1995), in the article "Oxidative Coupling of Methane over Oxide-Supported Sodium–Manganese Catalysts," by Dingjun Wang, Michael P. Rosynek, and Jack H. Lunsford, pages 390–402: On page 392, Fig. 2 is incorrect as printed. For the readers' convenience, the correct version of the figure is given here.

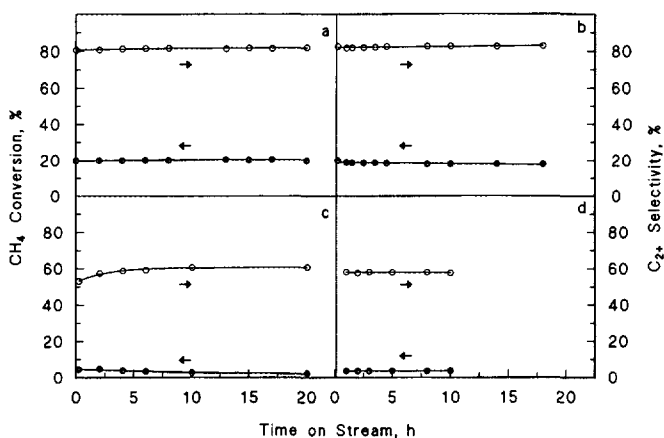

FIG. 2. Oxidative coupling of methane as a function of time on stream ($T = 800^{\circ}\text{C}$, $\text{CH}_4/\text{O}_2 = 670/90$ Torr, total flow rate = 115 ml/min, 1.0 ml catalyst). Conversion and selectivity over: (a) 2% Mn/5% Na₂WO₄/SiO₂; (b) 5% NaMnO₄/MgO; (c) 5% NaMnO₄/SiO₂; (d) 5% Na₂WO₄/MgO.
