The authors regret that a citation of H. Tsuji, K. Oshima, Y. Koyasu, Chem. Mater. 15 (2003) 2114, and the corresponding copyright permission to reproduce were inadvertently omitted from the caption of Figure 6. The caption of the figure should have read:

Fig. 6. Model structures of  $\text{Te}_2\text{M}_{20}\text{O}_{57}$  (a),  $\text{Mo}_5\text{O}_{14}$  (b), and  $\text{Te}_{0.33}\text{MO}_{3.33}$  (c) crystalline phases. (Reproduced with permission from Chem. Mater. 15 (2003), 2112–2114. Copyright 2005 American Chemical Society.)

The authors sincerely regret any inconvenience that this omission may have caused.
