

**ERRATUM****Magnetic Resonance Studies on Membrane and Model Membrane Systems  
by Alan F. Horwitz and Melvin P. Klein**

**Journal of Supramolecular Structure, Volume 1, Number 1, 1972.**

The following correction should be made in Table 2, page 25:

The value of  $T_1$  for sonicated dimyristoyl lecithin should be  $1.4 \pm 0.1$  sec, and the value of  $T_2$  for unsonicated egg yolk lecithin should be deleted.
