

ERRATUM

Journal of Supramolecular Structure, Volume 10, Number 4, 1979

Superstructures of Wet Inactive Chromatin and the Chromosome Surface, Samarendra Basu, pages 377--395.

Certain features in Figure 5 of the above article were obscured when that figure was reproduced for publication in the Journal of Supramolecular Structure. Figure 5a of that article is reproduced here without reduction.

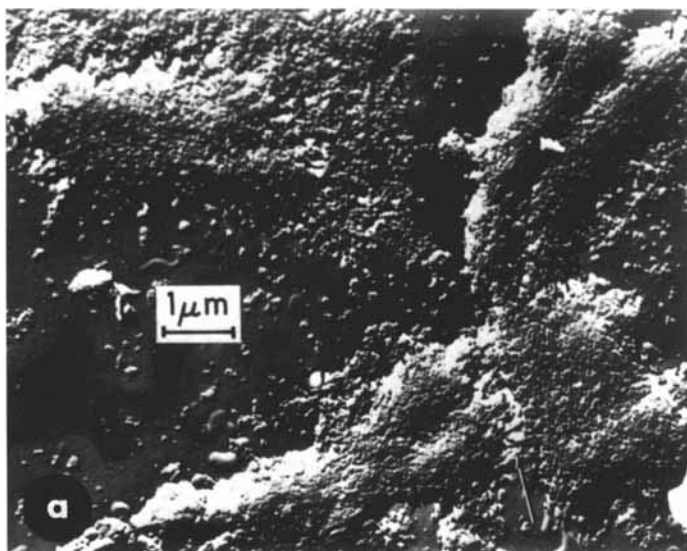

Fig. 5. S:O (Pt-C shadowed, 35°) replicas of wet unstained and unfixed Chinese hamster chromosomes in a metaphase spread.
