

ERRATUM

Journal of Supramolecular Structure, Volume 10, Number 4, 1979

Reconstituted Low Density Lipoprotein: A Vehicle for the Delivery of Hydrophobic Fluorescent Probes to Cells, Monti Krieger, Louise C. Smith, Richard G.W. Anderson, Joseph L. Goldstein, Yin J. Kao, Henry J. Pownall, Antonio M. Gotto, Jr., and Michael S. Brown, pages 467–478.

The above article was published without received and accepted dates. The dates are: received March 29, 1979; accepted April 17, 1979.

Journal of Supramolecular Structure, Volume 11, Number 1, 1979

Co-Translational Modification of Nascent Immunoglobulin Heavy and Light Chains, Lawrence W. Bergman and W. Michael Kuehl, pages 9–24.

The above article was published without received and accepted dates. The dates are: received March 27, 1979; accepted June 8, 1979.

Journal of Supramolecular Structure, Volume 11, Number 1, 1979

Endogenous Cyclic AMP Does Not Modulate Transport of Hexoses, Nucleosides, or Nucleobases in Chinese Hamster Ovary Cells, Robert M. Wohlhueter, Peter G.W. Plagemann, and J.R. Sheppard, pages 51–60.

The above article was published without received and accepted dates. The dates are: received April 19, 1979; accepted May 1, 1979.
