

ERRATUM

**Komm BS, Bodine PVN. 1998. The ongoing saga of osteoporosis treatment. J Cell Biochem 30/31:277–283.**

On page 280 of the article cited above the following sentence was printed incorrectly:

For example, alendronate increases BMD in up to 7% of postmenopausal women, which is somewhat higher than what is reported for Premarin or 17 $\beta$ -estradiol [Lieberman et al., 1995].

The correct sentence is printed below:

For example, alendronate increases BMD up to 7% in postmenopausal women, which is somewhat higher than what is reported for Premarin or 17 $\beta$ -estradiol [Lieberman et al., 1995].
