

## ERRATUM

Seghatoleslami MR, Roman-Blas JA, Rainville AM, Modarresi R, Danielson KG, Tuan RS. 2003. Progression of chondrogenesis in C3H10T1/2 cells is associated with prolonged and tight regulation of ERK1/2. *J Cell Biochem* 88:1129–1144.

The correct spelling of Dr. Modarresi's last name and Dr. Seghatoleslami's correct email [reza.seghatoleslami@mail.tju.edu](mailto:reza.seghatoleslami@mail.tju.edu) was inadvertently spelled incorrectly.

The publisher regrets this error.
