

## Erratum: Carboxylated N-glycans on RAGE promote S100A12 binding and signaling, in Journal of Cellular Biochemistry, by Srikrishna et al.

Subsequent to the publication of Srikrishna et al. the following inaccuracies were discovered:

Dr. Achim Temme's affiliation should have been: Department of Neurosurgery, University Hospital Carl Gustav Carus, TU Dresden, 01307 Dresden, Germany

Dr. Bernd Weigle's affiliation should have been: Institute of Immunology, Medical Faculty Carl Gustav Carus, TU Dresden, 01307 Dresden, Germany

and,

The funding source for Drs. Dorit Hanein and Neils Volkmann, Department of Defense Office of the Congressionally Directed Medical Research Programs Proposal; Grant Number: 09082003, should have been National Institutes of Health Cell Migration

Consortium; Grant Number: U54 GM64346 (D.H. and N.V.). This change is applicable to both the grant sponsors listed on the lead page and also within the acknowledgement section.

Further, in light of these post-publication corrections the online version of the originally published article has been updated accordingly. Please consider this revised version to be the version of record.
