

**Erratum: Cucurbitacin B suppresses the transactivation activity of RelA/p65. H.R. Jin, X. Jin, N. T. Dat, J. J. Lee.**

In Jin et al., 2011, the structure of Cucurbitacin B published in Figure 1 was incorrect. The correct structure of cucurbitacin B is shown below.

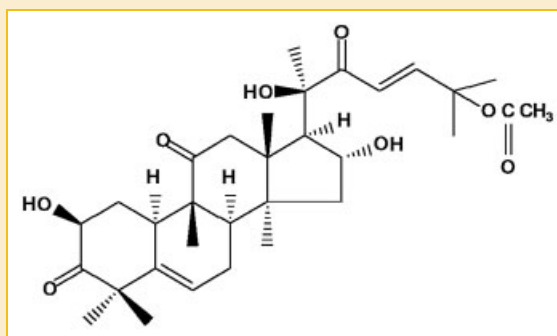

Fig. 1. Chemical structure of cucurbitacin B isolated from the *Trichosanthes kirilowii*.
