

Correction

Binary Diffusion Coefficients and Retention Factors for Long-Chain Triglycerides in Supercritical Carbon Dioxide by the Chromatographic Impulse Response Method. C. Y. Kong, N. R. W. Withanage, T. Funazukuri,* and S. Kagei, *J. Chem. Eng. Data* **2005**, *50*, 1635–1640.

Page 1637. In the fifth line of text under Table 3 (right-hand column) there is an error. It should read $D_{12}/\text{m}^2\cdot\text{s}^{-1} = 1.498 \times 10^{-7}$ rather than 1.498×10^{-8} .
