### Erratum

## Erratum to “High-performance ion-exchange chromatography and adsorption of plasma proteins”

[*J. Chromatogr. A*, 816 (1998) 89–96]<sup>1</sup>

Steven C. Goheen\*, Jacqueline L. Hilsenbeck

*Pacific Northwest National Laboratory, Richland, WA 99352, USA*

*Keywords:* Proteins; Albumins; Immunoglobulins; Fibrinogen

---

Throughout the article, the model 13075 anion-exchange column was inadvertently identified as having quaternary amine functional groups; actually, however, the column was functionalized by diethylaminoethyl groups.
