### Erratum

Erratum to “Temperature dependence of the retention index for perfumery compounds on a SE-30 glass capillary column. I. Linear equations” [J. Chromatogr. A, 779 (1997) 287–297]<sup>1</sup>

Ecaterina Tudor

*Institute of Physical Chemistry “I.G. Murgulescu”, Romanian Academy, Spl. Independentei 202, Sector 6, 77208 Bucharest, Romania*

Accepted 17 November 1998

*Keywords:* Retention indices; Perfumery compounds

---

Pages 289–295, Table 1, the heading of the third column ( $eI$  100°C) should read  $I$  (experimental retention index at  $T^\circ\text{C}$ ).
