

Erratum

Erratum to “Capillary electrochromatography with monolithic silica columns. III. Preparation of hydrophilic silica monoliths having surface-bound cyano groups: chromatographic characterization and application to the separation of carbohydrates, nucleosides, nucleic acid bases and other neutral polar species”

[J. Chromatogr. A 1029 (2004) 239–247]<sup>☆</sup>

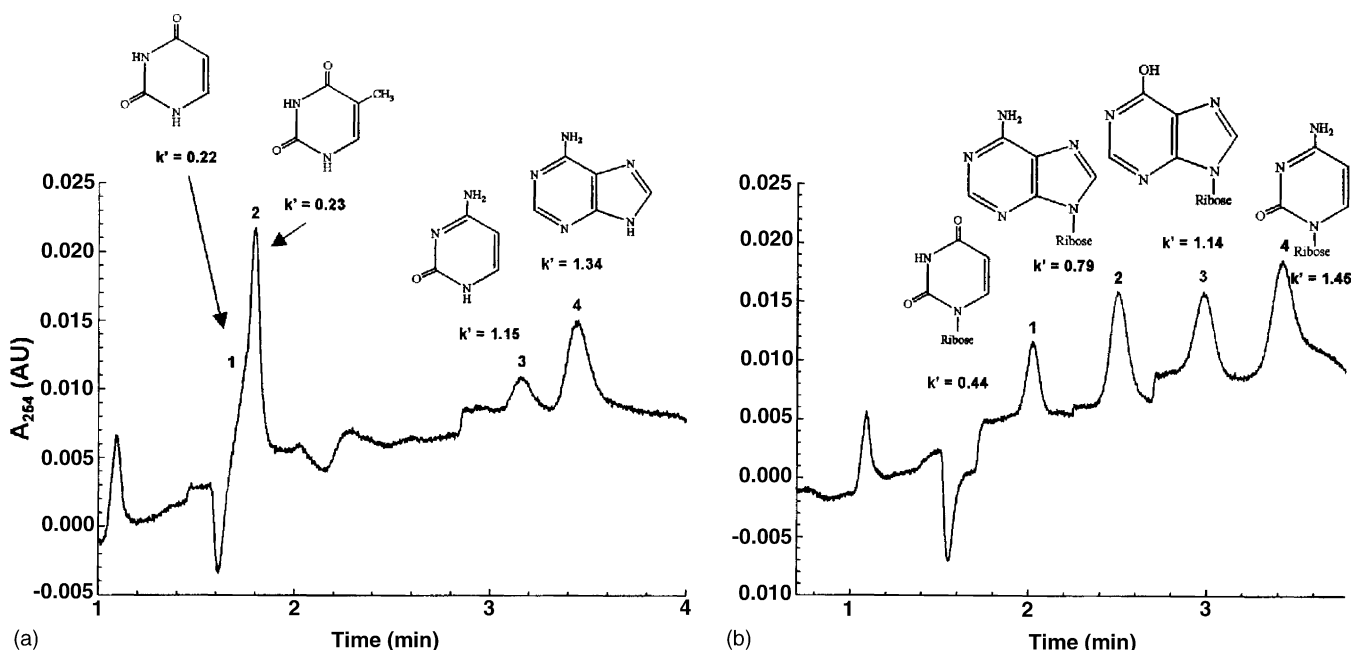

Darin Allen, Ziad El Rassi\*

Department of Chemistry, College of Arts and Sciences, 454A Physical Sciences, Oklahoma State University, Stillwater, OK 74078-3071, USA

Received 26 March 2004; accepted 26 March 2004

Keywords: Electrochromatography; Monolithic columns; Carbohydrates; Nucleosides; Nucleic acid bases; Phenols; Chlorophenols

On page 244, the scale on the *x*-axes in Fig. 4 should read as shown below:
