(Received 7 October 1999)

Abstract

An error in the figures is reported. In the paper by Onoda *et al.* [*Acta Cryst.* (1999), **B55**, 721–725] the figures are given in the wrong order. Fig. 1 on p. 723 should in fact be Fig. 2 on p. 724 and *vice versa*. The figure captions are given correctly.
