

Publisher's note

The Publisher regrets that this article: “Urinary high performance reverse phase chromatography cortisol and cortisone analyses before and at the end of a race in elite cyclists” by Gatti, R., Cappellin, E., Zecchin, B., Antonelli, G., Spinella, P., Mantero, F., and De Palo, E.F. was mistakenly published in uncorrected form in Volume 824, Issues 1–2, Septem-

ber 2005. It can be viewed by visiting the following link: <http://dx.doi.org/10.1016/j.jchromb.2005.06.037>. Please make sure you refer to the original article instead of this erratum if you want to cite the paper.

The complete and corrected article can be found on the following pages.
