The Author regrets that there are three points that are incorrect in the paper listed above.  
These corrections are as follows:

The correct second affiliation on the title page should be:

<sup>b</sup>School of Pharmaceutical Sciences, University of Shizuoka, 52-1 Yada Shizuoka 422-8526, Japan

The correct solvent we used in the NMR study is DMSO-*d*<sub>6</sub> on page 2.

The correct Fig. 5C–5E is shown below.

The Author apologizes for the errors.
