

Fourth GAMM Conference on Numerical Methods in Fluid Mechanics

ENSTA, Paris, France, October 7-9, 1981

The GAMM Committee for Numerical Methods in Fluid Mechanics announces its fourth conference organized in cooperation with the Office National d'Etudes et de Recherches Aérospatiales (ONERA). The conference, which will be held at the "Ecole Nationale Supérieure de Techniques Avancées" (ENSTA) in Paris, will be concerned with the theory and the application of numerical methods in fluid mechanics (aerodynamics, meteorology, astrophysics, oceanography, biology, nuclear reactor technology, etc.).

Deadline for abstracts (one page, two pages at maximum) is March 15, 1981. The proceedings of the conference will be published by the Vieweg Verlag in the series "Notes on Numerical Fluid Mechanics."

Further information and registration forms can be obtained from:
