STATEMENT OF RETRACTION

Gas-phase stabilized metal complexes of cyclic peptides – theoretical *versus* experimental study

BOJIDARKA IVANOVA and MICHAEL SPITELLER

J. Coord. Chem., **65**, 1548, DOI: 10.1080/00958972.2012.676166 (2012).

This article is retracted as the Journal's policy on authorship, viz., "An author must ensure all named co-authors consent to publication and being named as a co-author" was not complied with. Post-publication, the Editor was apprised by Professor Dr Spiteller that the corresponding author, Dr Ivanova, submitted the article without Professor Dr Spiteller's knowledge or consent. This action also breached warranties made by the corresponding author to Taylor & Francis in the Author Publishing Agreement.
