Title: CIMTEC 2002, Int'l Conferences on Modern Materials and Technologies and 3rd Forum on New Materials
Section J: Materials for Electrochemical, Chemical, Nuclear and Environmental Applications

Section K: Electrical, Magnetic and Optical Ceramics
SII – “Mass and Charge Transport in Inorganic Materials: Fundamentals to Devices”

SIII – “Science and Engineering of HTC Superconductivity”

SIV – “Diamond and Other Carbon Materials: Fundamental Physical Properties and Electronic Applications”

Dates: 14–19 July 2002
Place: Florence, ITALY
Contact:
P.O. Box 174 Corso Mazzini, 52 48018 Faenza, ITALY
Tel.: +0546 22461/664143
Fax: +0546 664138/663362
