

## Corrigendum

The authors wish to highlight an error in their published manuscript, details of which are below:

### **Antimicrobial, spectral, magnetic and thermal studies of Cu(II), Ni(II), Co(II), UO<sub>2</sub> (VI) and Fe(III) complexes of the Schiff base derived from oxalylhydrazide.**

This article has been published in the Journal of Enzyme Inhibition and Medicinal Chemistry, April 2008; 23(2): 285–295.

Throughout the text the organic compound referred to as 'oxalic bis ( 2- hydroxybenzylidene) hydrazide' should read 'oxalyl ( 2 - hydroxybenzylidene) hydrazone.'
