

CORRIGENDUM

Vortex shedding from slender cones at low Reynolds numbers

By A. PAPANGELOU

Journal of Fluid Mechanics, vol. 242 (1992), pp. 299–321

The frequency range of the power spectra in figure 4, p. 305, should be 0 to 100 Hz, not 200 Hz. This correction does not apply to the rest of the power spectra. In addition, 'spectral peaks at 100 Hz' on line 2, p. 306, should read 'spectral peaks at 50 Hz'.
