For many years, the *Journal of Fluorescence* has been managed out of the *Institute of Fluorescence's* (IoF) offices on Lombard Street in Baltimore, Maryland, USA. On October 7th 2008, the Institute of Fluorescence moved to a state-of-the-art facility in UMBI's COMB building, in Baltimore's affluent inner Harbor, several miles away from the previous address. The move will support the continued growth of the Institutes' scientific, education and dissemination programs. Subsequently, our new contact address details are:

Dr Chris D. Geddes, (Professor)
Director: The Institute of Fluorescence,
