Announcement

The American Society of Crime Laboratory Directors (ASCLD) has recently set up a ASCLD Scholarship Program. This scholarship is designed to be a prestigious scholarship program for the recognition of outstanding forensic science students and to encourage students to pursue a career in the forensic science profession.

Each year, a maximum of two graduate students from an accredited university with a forensic science program will be selected to receive a \$250 scholarship and a certificate of recognition.

Applications can be obtained by writing to the ASCLD Scholarship Committee. The application must be returned with two letters of recommendation to ASCLD before 15 Dec. 1984. The recipients will be notified by 15 April 1985, and the scholarship will be presented at the ASCLD Annual Meeting.
